

Psalm 8

(adapted for prayer)

Lord, our God and King,
your greatness is seen throughout the earth.
When I gaze at the heavens which your fingers have formed,
and look at the moon and the stars which you have set there,
I realize how small we are in the magnificence of your creation.

Yet you treasure us above all that you have made,
and you give us control over all the works of your hand
animals both wild and tame,
birds in the air,
and the creatures of the sea.

Lord, our God and King,
your greatness is seen throughout the earth.
